November 12, 1979

Dr. Eugene D. Furth
Professor and Chairman
Department of Medicine
East Carolina University
School of Medicine
Greenville, North Carolina 27834

Dear Dr. Furth:

Your father's name was, of course, well known to us. We were sorry to get the news of his death. Besides your letter I had personal notice of it from Dr. Philip Levine, who remembered your father well.

Enclosed is the current issue of R.U. News and Notes which contains a brief obituary.

Yours sincerely,

Joshua Lederberg

Encl.
